

CURIONEST

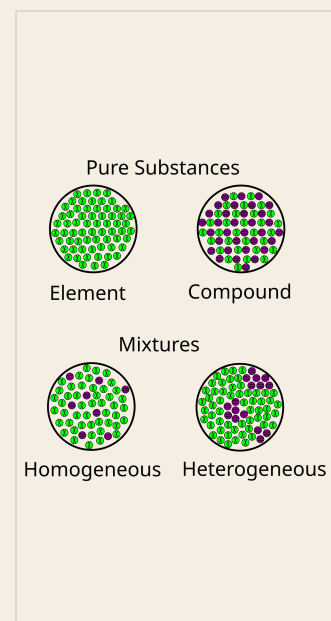

CHEMISTRY FOUNDATIONS

INTRODUCTION TO MATTER

Complete Instructional Unit for U.S. Grades 9-10

TEACH -> MODEL -> PRACTICE -> ASSESS

- 15 projectable teaching slides
- 12 student lesson, practice, and review pages
- Unit Tests A and B with 20 multiple-choice items each
- Teacher guide, full answers, rationales, and repair moves

Move from what students can see to particle-level claims they can defend.

5 LESSONS · TWO 20-ITEM TEST FORMS · PDF · US LETTER
